## Weightless by All Time Low

## Fill in the gaps

Manage me, I'm a mess		I'm over getting old	
Turn a page, I'm a book half-unread		And maybe it's not my weekend	
I want to be (1)	at, laughed with just	But it's gonna be my year	
because		I'm so sick of watching while the minutes pass	
I want to feel weightless		As I go nowhere	
And (2) should be enough		And this is my reaction	
But I'm stuck in this ****** rut		To everything I fear	
Waiting on a secondhand pick-me-up		'Cause I've been going crazy	
And I'm over getting older		I don't want to waste another (8)	here
If I could just find the time		This could be all I've waited for	
Then I would never let (3)	day go by	(I've waited, I've waited for)	
I'm over getting old		And this could be everything	
And maybe it's not my weekend		I don't wanna dream anymore	
But it's gonna be my year		Maybe it's not my weekend	
I'm so sick of (4)	while the minutes pass	But it's gonna be my year	
As I go nowhere		And I've been going crazy	
And this is my reaction		I'm stuck in here	
To everything I fear		And maybe it's not my weekend	
'Cause I've been going crazy		But it's gonna be my year	
I don't want to waste another minute here		I'm so sick of watching while the minutes pass	
Make believe (5) I impress		As I go nowhere	
That every word, by design, turns a head		And (9) is my reaction	
I wanna feel reckless		To everything I fear	
Wanna live it up just because		'Cause I've been (10) crazy	
I wanna feel weightless		I don't want to waste another minute here	
'Cause (6) would be enoug	gh		
If I could (7) find the time			
Then I would never let another day go	b by
