

Fill in the gaps

Manage me, I'm a mess	I'm over getting old
Turn a page, I'm a book half-unread	And maybe it's not my weekend
I want to be laughed at, laughed (1) just because	But it's gonna be my year
I want to feel weightless	I'm so sick of watching while the minutes pass
And that should be enough	As I go nowhere
But I'm stuck in this ****** rut	And this is my reaction
Waiting on a secondhand pick-me-up	To everything I fear
And I'm over getting older	'Cause I've been going crazy
If I could (2) find the time	I don't (8) to waste another minute here
Then I would never let (3) day go by	This could be all I've waited for
I'm over (4) old	(I've waited, I've (9) for)
And maybe it's not my weekend	And this could be everything
But it's gonna be my year	I don't wanna dream anymore
I'm so sick of watching while the minutes pass	Maybe it's not my weekend
As I go nowhere	But it's gonna be my year
And this is my reaction	And I've been going crazy
To everything I fear	I'm stuck in here
'Cause I've been going crazy	And maybe it's not my weekend
I don't want to waste another (5) here	But it's gonna be my year
Make believe that I impress	I'm so (10) of watching while the minutes pass
That every word, by design, turns a head	As I go nowhere
I wanna feel reckless	And this is my reaction
Wanna live it up just because	To everything I fear
I (6) feel weightless	'Cause I've been going crazy
'Cause that would be enough	I don't want to waste another minute here
If I (7) just find the time	
Then I would never let another day go by
