

## Fill in the gaps

Stay (1) me, baby stay (2) me	Hold my (18) as you're moving in
Tonight don't leave me alone	Taste your lips and feel your skin
Walk with me, come and walk with me	When the (19) comes
To the edge of all we've ever known	Baby don't run, just kiss me slowly
I can see you there with the city lights	Don't run away
Fourteenth floor, (3) blue eyes	And it's hard to love again
I can breathe you in	When the only way it's been
Two shadows (4) by the bedroom door	When the only love you know
No, I could not want you more than I did right then	Just walked away
As our heads leaned in	If it's something (20) you want
Well, I'm not sure what (5) is gonna be	Darling you don't have to run
But (6) my eyes closed all I see	You don't (21) to go
Is the skyline, (7) the window	Just stay with me, baby stay with me
The moon above you and the streets below	Well, I'm not (22) what this is gonna be
Hold my breath as you're (8) in	But with my eyes closed all I see
Taste your lips and feel your skin	Is the skyline, through the window
When the time comes	The moon (23) you and the streets below
Baby don't run, (9) (10) me slowly	Hold my breath as you're moving in
Stay with me, baby stay with me	Taste your lips and feel your skin
Tonight don't leave me alone	When the time comes
She (11) me everything she used to know	Baby don't run, just kiss me slowly
Picture frames and (12) roads	I'm not sure (24) this is gonna go
When the days were (13) and the world was small	But in (25) moment all I know
She stood by as it (14) apart	Is the skyline, through the window
Separate rooms and broken hearts	The moon above you and the streets below
But I won't be the one to let you go	Hold my (26) as you're moving in
(Oh oh)	Taste your lips and (27) your skin
I'm not sure (15) this is gonna be	When the time comes, baby don't run
But with my eyes (16) all I see	Just kiss me slowly
Is the skyline, through the window	
The (17) above you and the streets below
