

Fill in the gaps

Under Control by Calvin Harris & Alesso & Hurts

	I (10) you, you'll (11) know
I might be anyone	When the (12) comes you
A (1) fool out in the sun	(13) so cold
Your heartbeat of solid gold	You know
I love you, you'll (2) know	I'm too afraid of my heart to let you go
When the daylight comes you feel so cold	Waiting for the (14) to light
You know	Feeling (15) we could do right
I'm too afraid of my heart to let you go	Be the one that (16) tonight
Waiting for the (3) to light	'Cause freedom is a lonely road
Feeling like we could do right	We're (17) control
Be the one (4) makes tonight	Waiting for the (18) to light
'Cause (5) is a (6) road	Feeling like we could do right
We're under control	Be the one (19) (20) tonight
We're under control	'Cause freedom is a (21) road
I might be anyone	We're (22) control
A (7) (8) out in the sun	We're under control
Your heartbeat of (9) gold
