

Fill in the gaps

Under Control by Calvin Harris & Alesso & Hurts

•••	I love you, you'll (5) know
I might be anyone	When the daylight (6) you feel so cold
A lone fool out in the sun	You know
Your heartbeat of solid gold	I'm too afraid of my heart to let you go
I love you, you'll (1) know	Waiting for the fire to light
When the daylight comes you feel so cold	Feeling like we could do right
You know	Be the one that makes tonight
I'm too (2) of my heart to let you go	'Cause freedom is a lonely road
Waiting for the (3) to light	We're under control
Feeling like we could do right	Waiting for the (7) to light
Be the one that makes tonight	Feeling (8) we could do right
'Cause freedom is a lonely road	Be the one (9) makes tonight
We're under control	'Cause freedom is a lonely road
We're under control	We're under control
I (4) be anyone	We're under control
A lone fool out in the sun	
Your heartbeat of solid gold
