## The Party Scene (Live) by All Time Low

Hey, kid, you've got
A lot of potential but I think it's time to move up
So go on and blow us away with your sound
Now you're everything that we've (1) to love
You taught us to move, now we'll show it off
Just drop us the (2) (c'mon)
Here's to the fast times
The times we felt alive
To all the nights that we forgot to get (3) home
Stay seventeen
The party scene has got the best of me and you
We've got to let this go
Drink up last call before the sunrise sets the scene
Of empty bottles, heavy hearts
The memories of broken dreams
We were so (4) yet so alive
Wrapped up in lies
Like sheets of (5) one night stand

You know you left the girl with nothing
But the sunrise through the window pane
Where (6) eyes will close
Stay seventeen
The party scene has got the best of me and you
We've got to let this go
I know she hopes I (7) on this last drink
Drop dead (8) my influence gets to her head
She said
I'll love you (9) or find something better
It's all just the same as when we sleep together
We wake up with headaches and trouble remembering
What went wrong
Stay seventeen
The party scene has got the best of me and
You, we've got to let this go

- 1. come
- 2. beat
- 3. back
- 4. tired
- 5. another
- 6. tired
- 7. choke
- 8. before
- 9. forever
