

Fill in the gaps

The Party Scene (Live) by All Time Low

	You know you left the girl (7) nothing
Hey, kid, you've got	But the sunrise through the window pane
A lot of potential but I think it's time to move up	Where tired eyes will close
So go on and blow us away with your sound	Stay seventeen
Now you're (1) that we've come to	The party scene has got the best of me and you
love	We've got to let this go
You taught us to move, now we'll (2) it off	I know she hopes I (8) on this last drink
Just (3) us the beat (c'mon)	Drop dead before my (9) gets to her
Here's to the fast times	head
The times we felt alive	She said
To all the nights that we forgot to get back home	I'll love you forever or find something better
Stay seventeen	It's all just the (10) as when we sleep together
The party (4) has got the best of me and you	We wake up with headaches and trouble remembering
We've got to let (5) go	What went wrong
Drink up last call before the sunrise (6) the scene	Stay seventeen
Of empty bottles, heavy hearts	The party scene has got the best of me and
The memories of broken dreams	You, we've got to let this go
We were so tired yet so alive	
Wrapped up in lies	
Like sheets of another one night stand
