The Party Scene (Live) by All Time Low

Hey, kid, you've got
A lot of potential but I think it's time to move up
So go on and blow us away with your sound
Now you're (1)_____ that we've come to
love
You taught us to move, now we'll (2)_____ it off
Just drop us the beat (c'mon)
Here's to the fast times
The times we felt alive
To all the nights (3)_____ we forgot to get back home
Stay seventeen
The party (4)_____ has got the best of me and you
We've got to let this go...
Drink up last (5)_____ before the sunrise sets the scene
Of empty bottles, heavy hearts
The memories of broken dreams...
We were so tired yet so alive
Wrapped up in lies
Like sheets of another one night stand

You know you left the girl with nothing
But the sunrise through the window pane
Where (6)_____ eyes will close...
Stay seventeen
The party scene has got the best of me and you
We've got to let this go...
I know she hopes I choke on (7)_____ (8)_____
drink
Drop dead before my influence gets to her head...
She said
I'll love you forever or find something better
It's all just the same as when we (9)_____ together
We wake up with headaches and trouble remembering
What went wrong
Stay seventeen
The party scene has got the best of me and
You, we've got to let this go...
