

Fill in the gaps

Walking out into the dark	You ran into the night; you can't be found
Cutting out a different path	But
Lead by your (1) heart	This is your heart
All the people of the town	Can you feel it? Can you feel it?
Cast their eyes (2) to the ground	Pumps through (17) veins
In (3) of the heart	Can you (18) it? Can you (19) it?
The night was all you had	If you had (20) gun
You ran into the (4) (5) all you had	Would you (21) it at the sky, why?
Found yourself a path (6) the ground	To see (22) it would fall
You ran into the night; you can't be found	(Oh) Will you come down at all?
But	If you had (23) gun
This is (7) heart	Would you shoot it at the sky, why?
Can you (8) it? Can you (9) it?	To see where (24) bullet (25) fall
Pumps through (10) veins	(Oh) (26) you come down at all?
Can you (11) it? Can you feel it?	This is your heart
Summer evening breezes blew	Can you feel it? Can you feel it?
Drawing voices deep from you	Pumps (27) your veins
Lead by (12) beating heart	Can you feel it? Can you feel it?
What a year and what a night	This is your racing heart
What terrifying (13) sights	Can you (28) it? Can you feel it?
Put out (14) beating heart	Pumps through your veins
The (15) was all you had	Can you feel it? Can you (29) it?
You ran into the night from all you had	
Found yourself a path (16) the ground
