Step out into the Indian dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a (7) big world
They're starting to bust	She's (8) (9) girl
Drive by your house, nobody's home	I could be reeling them in left and right
I'm trying to tell myself that I'm better off alone	Something's got a hold on me, tonight
All of my (1) say I should move or	Well maybe all of my friends
She's just another girl	Should confront
Don't let her stick it to your heart so hard	The fact that I don't want
And of all my friends say	Another girl
It wasn't (2) to be	All of my friends say I should move on
And it's a great big world	All of my friends say
She's just another girl	All of my friends say
Another girl	All of my friends say
I went to see a fortuneteller	She's just another girl
That was a trip	Then why can't I sleep at night
Maybe this confusion's got me losing my grip	And why don't the moon look right
I can't believe you're out there flying	The sounds up, the TV's on
With (3) else	And it's a great big world
Now Jason's getting married in the blink of an eye	She's just another girl
I got an invitation but I didn't reply	Don't let her stick it to (10) heart, bo
Tell your little brother (4) we put down the	e gloves She's just another girl
And give him all of my love	All of my friends say
All of my friends say I should (5) on	She's just another girl
She's just another girl	Another girl
Don't let her stick it to your heart so hard	
And all of my (6) say
