

Fill in the gaps

Step out (1) the Indian dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a great big world
They're (2) to bust	She's just another girl
Drive by your house, nobody's home	I (11) be reeling them in left and righ
I'm trying to tell myself that I'm better off alone	Something's got a hold on me, tonight
All of my friends say I (3) move on	Well maybe all of my friends
She's just (4) girl	Should confront
Don't let her (5) it to (6) heart so hard	The fact (12) I don't want
And of all my friends say	Another girl
It wasn't meant to be	All of my friends say I should (13) on
And it's a great big world	All of my (14) say
She's just another girl	All of my (15) say
Another girl	All of my friends say
I went to see a fortuneteller	She's (16) another girl
That was a trip	Then why can't I (17) at night
Maybe this confusion's got me losing my grip	And why don't the (18) look right
I can't believe you're out there flying	The sounds up, the TV's on
With somebody else	And it's a great big world
Now Jason's getting married in the blink of an eye	She's just (19) girl
I got an invitation but I didn't reply	Don't let her stick it to (20) heart, boy
Tell your little brother that we put (7) the gloves	She's (21) another girl
And give him all of my love	All of my friends say
All of my (8) say I should move on	She's (22) another girl
She's (9) another girl	Another girl
Don't let her stick it to (10) heart so hard	
And all of my friends say
