

And all of my friends say

Fill in the gaps

Step out into the Indian dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a great big world
They're (1) to bust	She's just another girl
Drive by (2) house, nobody's home	I could be reeling them in left and right
I'm (3) to tell myself that I'm better off alone	Something's got a hold on me, tonight
All of my friends say I should move on	Well maybe all of my friends
She's just another girl	Should confront
Don't let her stick it to your heart so hard	The fact that I don't want
And of all my friends say	Another girl
It wasn't meant to be	All of my (6) say I should move or
And it's a (4) big world	All of my (7) say
She's just another girl	All of my friends say
Another girl	All of my (8) say
I went to see a fortuneteller	She's just another girl
That was a trip	Then why can't I sleep at night
Maybe this confusion's got me losing my grip	And why don't the (9) look right
I can't believe you're out (5) flying	The sounds up, the TV's on
With somebody else	And it's a (10) big world
Now Jason's getting married in the blink of an eye	She's just another girl
I got an invitation but I didn't reply	Don't let her stick it to your heart, boy
Tell your little brother that we put down the gloves	She's just another girl
And give him all of my love	All of my friends say
All of my friends say I should move on	She's just another girl
She's just another girl	Another girl
Don't let her stick it to your heart so hard
