There's a hero	And you (16) your fears aside
If you look inside your heart	And you know you can survive
You don't have to be afraid	So when you feel (17) hope is gone
Of what you are	Look inside you and be strong
There's an answer	And you finally see the truth
If you (1) your soul	That a hero (18) in you
And the sorrow (3) you know	Lord knows
Will melt away	Lord knows
And (4) a (5) (6) along	Dreams are (19) to follow
With the strength to carry on	But don't let anyone
And you cast your (7) aside	Tear them away
And you (8) you can survive	Just hold on
So when you feel like hope is gone	There will be tomorrow
Look (9) you and be strong	And in time you'll (20) the way
And you finally see the truth	And (21) a (22) comes along
That a hero (10) in you	With the (23) to (24) or

When you face the (11) alone	And you know you can survive

You can (12) love	And then you finally see the truth
If you (13) within yourself	That a (28) lies in you
And then the emptiness you felt	That a hero lies in you

With the strength to carry on
