Un-Break My Heart by Toni Braxton

	When you walked out the door
Don't leave me in all this pain	And walked out of my life
Don't leave me out in the rain	Un-cry these tears
Come back and bring back my smile	I cried so many nights
Come and take these tears away	Unbreak my heart
I need your arms to hold me now	Don't leave me in all this pain
The (1) are so unkind	Don't leave me out in the rain
Bring back (2) nights (3) I	Bring back the (9) when I held you beside me
(4) you beside me	Unbreak my heart
Unbreak my heart	Say you'll love me again
Say you'll love me again	Undo this hurt you caused
Undo this hurt you caused	When you walked out the door
When you walked out the door	And walked out of my life
And walked out of my life	Un-cry (10) tears
Un-cry these tears	I cried so many nights
I cried so many nights	Unbreak my heart
Unbreak my heart, my heart	Unbreak my heart, oh baby
Take (5) that sad word good-bye	Come back and say you love me
Bring (6) the joy to my life	Unbreak my heart
Don't leave me here with (7) tears	Sweet darling
Come and (8) this pain away	Without you I just can't go on
I can't forget the day you left	Can't go on
Time is so unkind	
And life is so cruel without you here beside me	
Unbreak my heart	
Say you'll love me again	
Undo this hurt you caused
