

Everyday you're always there

Fill in the gaps

Secret by Orchestral Manoeuvres In The Dark

(Secret)	You (16) me
(Secret)	And (17) me feel it's worth my while
I've got a (1) and I can't explain	And (18) I look (19) and you're not
All the (2) I've (3) for this day	there
All along I was (4) in doubt	And everyday you say you (20) and I'll beware
I always knew it (5) never get out	(Secret)
There are (6) that I (7) tell	This is all
And (8) are things that you know (9)	This is all
well	I've got a (21) and I can't explain
This is getting very hard for me	This is all
I guess you'd better just (10) and see	(Secret)
This is all	All I want is to hold your hand
This is all	This is all
(Secret)	All along I was (22) in doubt
You heard a message and the message was clear	This is all
All the time you (11) (12)	(Secret)
(13) tear	To see the sun and to walk the sand
All I (14) is to hold your hand	This is all
To see the sun and (15) the sand	(Secret)
You make me sad and you make me glad	I've got a secret and I can't explain
And now you see all my secret is this love	This is all
Is love	(Secret)
This love	
My secret is this love
