

## Fill in the gaps

Trapped in a prism, in a prism of light	It's just a Reflektor (it's just a Reflektor)
Alone in the darkness, darkness of white	Just a reflection, of a reflection
We fell in love, alone on a stage	Of a reflection, of a reflection, of a reflection
n the reflective age	Will I see you on the other side? (just a Reflektor)
Entre la nuit, la (1) et l'aurore)	We all got things to hide (just a Reflektor)
(Entre les royaumes, des (2) et des morts)	It's just a (14) of a reflection
f this is heaven	Of a reflection, of a reflection, of a reflection
don't know (3) it's for	Will I see you on the other side? (just a Reflektor)
f I can't find you there	We all got things to hide (just a Reflektor)
don't care	Alright, let's go back
thought, I (4) a way to enter	Our (15) escapes, on little silver discs
t's just a Reflektor (it's just a Reflektor)	Our love is plastic, we'll break it to bits
thought, I found the connector	I want to break free, but will they break me?
t's just a Reflektor (it's just a Reflektor)	Down, down, down, don't mess around
Now, the signals we send, are deflected again	I thought, I found a way to enter
We're still connected, but are we even friends?	It's just a Reflektor (it's just a Reflektor)
Ne (5) in (6) when I was nineteen	I thought, I (16) the connector
And I was (7) at a screen	It's just a Reflektor (it's just a Reflektor)
(Entre la nuit, la nuit et l'aurore)	It's just a Reflektor (it's just a Reflektor)
(Entre les voyants, les vivants et les morts)	It's just a Reflektor (it's just a Reflektor)
f this is heaven	Thought you would bring me to the resurrector
need something more	Turns out it was (17) a Reflektor (it's
Just a place to be alone	(18) a Reflektor)
Cause you're my home	Thought you would bring to me the resurrector
thought, I (8) a way to enter	Turns out it was just a Reflektor (it's just a Reflektor)
t's just a Reflektor (it's just a Reflektor)	Thought you would bring to me the resurrector
thought, I (9) the connector	Turns out you were just a Reflektor
t's just a Reflektor (it's just a Reflektor)	It's (19) a Reflektor (it's just a Reflektor)
Just a Reflektor	It's just a Reflektor (it's just a Reflektor)
t's just a Reflektor (it's just a Reflektor)	It's just a Reflektor
t's (10) a Reflektor (it's just a Reflektor)	It's (20) a Reflektor
t's just a (11) (just a Reflektor)	It's just a Reflektor
Reflektor	Will I see you on the other side?
Just a Reflektor	It's just a Reflektor
t's just a (12) (it's just a Reflektor)	Will I see you on the other side? (Reflektor)
t's just a (13) (it's just a Reflektor)	We all got things to (21) (Reflektor)
Reflektor	Just a Reflektor
t's just a Reflektor	Will I see you on the other side?
t's just a Reflektor	
t's just a Reflektor (it's just a Reflektor)	

## 1. nuit
