

## Fill in the gaps

When (1)	breaks up	I break up
When the dawn light wakes up		With each and every one of your looks at me
A new (2) is born		Honey you're starting something
Somehow I have to make this final breakthru		Deep inside of me
Now!		Honey you're sparking something
I wake up		This fire in me
Feel just fine		I'm outta control
Your face		I wanna rush headlong into this ecstasy
Fills my mind		If I could only reach you
I get religion quick		If I could make you smile
'Cause you're looking divine		If I could only reach you
Honey you're touching something		That would really be a breakthru
You're touchin' me		If I could only reach you
I'm under your thumb		If I could make you smile
Under you're spell		If I could (6) reach you
Can't you see		That would (7) be a breakthru
If I could only reach you		(Oh) yeah
If I could make you smile		Breakthru
If I (3) only reach you		Breakthru
That would really be a breakthru		If I could only reach you
(Oh) yeah		If I could make you smile
Breakthru, these bar	riers of pain	If I could only (8) you
Breakthru, to the sunshine from the rain		That would really be a breakthru
Make my feelings known towards you		If I could only reach you
Turn my heart (4)	and out for you now	If I could make you smile
Somehow		If I could only reach you
I have to make this	(5) breakthru	That (9) really be a breakthru
Now!		Breakthru
(Oh) yeah		
Your smile
