The Lost Art Of Keeping A Secret by Queens Of The Stone Age

Blame all the movement to give it away	Don't tell anyone
You've got something, I understand	Whatever you do
Holding it tightly, (1)_____ on command	Don't (7)_____ anyone
Leap of faith, do you doubt?	Whatever you do
Cut you in, I just cut you out	Don't tell
Whatever you do	I think you already know
Don't tell anyone	How far I'd go not to say
Whatever you do	You know the art isn't gone
Don't tell anyone	And I'm taking my song to the grave
Look for reflections, in your face	Whatever you do
Canine devotion, time can't erase	Don't tell anyone
Out on the corner, locked in (2)_____ room	Whatever you do
I never (3)_____ (4)_____ and I	Don't tell anyone
(5)_____ assume	Whatever you do
Still can't (6)_____ there is a lie	Don't (8)_____ anyone
