## Fill in the gaps

I (1) I'm going back	My magic paradise
To the thing I learned so well	And I can play
In my youth	Hide and seek (7) my fears
I think I'm returning to	And (8) my days
All (2) days when I was (3) enough	Instead of counting my years
To know the truth	Let everyone debate
Now there are no games	The true reality
To only (4) the time	I'd rather see my world
No more electric trains	The way it used to be
No more trees to climb	A little bit of courage
Thinking young	Is all we lack
And growing older	So (9) me if you can
Is no sin	'Cause I'm going back
And I can play the game of life to win	I'm going back
(Oh) I can recall the time	Not just sitting
When I wasn't (5) to reach out	Walking away
To a friend	Yes, I'm going back
And now I think I've got	Going back to my youth
A lot (6) than	Come on, catch me 'cause I'm going back
Just my toys to lend	I'm going back
Now there's more to do	
Than watch my sailboat glide
