## Friends Will Be Friends (Live) by Queen

Another red letter day	Friends will be friends
So the pound has dropped	When you're (6) with life and all hope is lost
And the children are creating	Hold out your hands 'cos friends (7) be friends
The other half ran away	Right till the end
Taking all the cash	It's so easy now
And leaving you (1) the lumber	'Cause you got friends you can trust
Got a pain in the chest	Friends will be friends
Doctor's on strike what you need is a rest	When you're in need of love
It's not easy love	They give you care and attention
But you've got (2) you can trust	Friends will be friends
Friends will be friends	When you're through with life and all hope is lost
When you're in need of love	Hold out your hands
They give you (3) and attention	Friends (8) be friends
Friends will be friends	Right till the end
When you're through (4) life and all hope is lost	Friends will be friends
Hold out your hands 'cos friends will be friends	When you're in need of love
Right till the end	They give you care and attention
Now it's a beautiful day	Friends will be friends
The postman delivered a letter from your lover	When you're through with life and all hope is lost
Only a phone call away	Hold out your hands
You tried to track him down	'Cause right till the end
But somebody stole his number	Friends will be friends
As a matter of fact	Friends will be friends
You're getting used to life	Friends will be friends
Without him in your way	(When you're through with life and all hope is lost)
It's so easy now	(Hold out (9) (10) 'cos friends will be
'Cause you got (5) you can trust	friends)
Friends will be friends	(Right till the end)
