Call It What You Want by Foster The People

Call it what you want	You say, "now what's your style and
	Who do you (6) to?" who cares?
Call it what you want	Well that rat race ladder-climbing fake-face
	Smile's got nothing on me
I said just (1) it what you want	Yeah yeah
	We've got (7) to lose
Call it what you want	You better run and hide
	Yeah you've crossed the line
Yeah we're locked up in ideas	I've got a knife behind my (8) (just sayin')
We like to label everything	
Well I'm just gonna do here what I gotta do here	We've got nothing to prove
'Cause I gotta keep myself free	Your social guides give you swollen eyes
You're ducking and moving (2) to hide the bruises	But what I've got can't be (9) so you can just
From all your enemies	Call it what you want
And I'm in the crossfire dodging bullets from	
You expectancies	Call it (10) you want
Yeah yeah	
We've got nothing to lose	I said just call it what you want
You better run and hide	
Yeah you've crossed the line	Call it what you want
I've got a knife behind my back (just sayin')	
	Call it what you want
We've got nothing to prove	Call it what you want
Your social guides give you swollen eyes	What you want
But what I've got can't be bought so you can just	Call it what you want, what you want
Call it what you want	What you want
	Call it what you want
Call it what you want	
	Call it what you want
I said (3) (4) it what you want	
	I said just call it what you want
Call it what you want	
You've taken your words and you take your judgments	Call it what you want
And stick them onto everything	
If it don't conform to what you were (5) into	

- 1. call
- 2. just
- 3. just
- 4. call
- 5. born
- 6. listen
- 7. nothing
