

Promises we made were in vain, in vain, vain

## Fill in the gaps

## Separate Ways (Worlds Apart) by Journey

Here we stand	If you must go, I (5) you love
Worlds apart, hearts broken in two, two, two	You'll (6) walk alone
Sleepless nights	Take care my love
Losing ground I'm reaching for you	Miss you love
You, you	Someday love will find you
Feeling that it's gone	Break those chains that bind you
Can change (1) mind	One night will remind you
If we can't go on	How we touched and went our separate ways
To survive the tide love divides	If he ever hurts you
Someday love will find you	True love won't (7) you
Break those (2) that bind you	You know I still love you
One night will remind you	Though we touched and (8) our separate ways
How we touched and went our separate ways	Someday love will find you
If he ever (3) you	Break (9) chains that bind you
True love won't desert you	One night will remind you
You know I still love you	If he ever hurts you
Though we touched and went our (4)	True love won't desert you
ways	You know I still love you
Troubled times	
Caught between confusions and pain, pain, pain	
Distant eyes
