| I'm back | Brought me back to you and I know it |
|---|---|
| I'm back | So I just kept breathing my friends |
| Prouder than ever baby | Waiting for some God to choose |
| Louder than ever maybe | Saying this ain't the day that it ends |
| One more pill, (1) one more beer | 'Cause there's no white (9) and I'm not through |
| One less star in the atmosphere for us | I'm alive |
| But maybe she just wanted to be free | I'm alive |
| Heartless pictures on TV | And I've got so much more that I want to do |
| Change that channel that could have been me | Was it music? |
| I said | Was it science that saved me? |
| Maybe she just wanted to be free | Or the way that you prayed for me? |
| So I (2) kept breathing my friends | Guess either way I thank you |
| Waiting for the man to choose | I'm alive |
| Saying (3) ain't the day (4) it ends | And tomorrow is mine |
| 'Cause there's no white (5) and I'm not through | I said tomorrow is mine |
| I'm alive | Said I just got to keep on breathing |
| I'm alive | (I said tomorrow is mine) |
| And I've got so much more | I said no, don't let go |
| That I want to do with the music | (Keep on breathing) |
| Was it music that saved me? | Got to keep on, got to keep on, got to keep on |
| Or the way that you prayed for me? | I just got to keep on breathing |
| Guess (6) way I thank you | I'm alive |
| I'm alive | I'm alive |
| Hotel, Motel makes it clear | And I've got so much more that I want to give |
| One more voice we will (7) hear again | Was it music? |
| But maybe he just wanted to be free | Was it science that (10) me? |
| And I don't know what the hell | Or the way that you prayed and prayed for me |
| What the Gods | Well I thank you I'm alive |
