Shape Of My Heart (Acoustic) by Sting

He deals the cards as a meditation	But that's not the shape of my heart
And those he plays (1) suspect	That's not the shape
He doesn't play for the money he wins	The shape of my heart
He doesn't play for the respect	And if I told you that I loved you
He deals the cards to find the answer	You'd maybe think there's something wrong
The sacred geometry of chance	I'm not a man of too many faces
The hidden law of probable outcome	The (4) I (5) is one
The numbers lead a dance	Those who speak know nothing
I know that the spades	And find out to their cost
Are the swords of a soldier	Like those who curse their luck in too many places
I know that the clubs are weapons of war	And those who fear are lost
I (2) that diamonds mean money for this art	I know that the spades
But that's not the shape of my heart	Are the (6) of a soldier
He may play the (3) of diamonds	I know that the clubs are weapons of war
He may lay the queen of spades	I know that diamonds mean money for (7) art
He may conceal a king in his hand	But that's not the shape of my heart
While the memory of it fades	That's not the (8) of my heart
I know that the spades	That's not the shape
Are the swords of a soldier	The (9) of my heart
I know that the clubs are weapons of war
