If the Russians (3) their children too
How can I save my little boy
From Oppenheimer's (4) toy
There is no monopoly in common sense
On either side of the (5) fence
We share the same biology
Regardless of ideology
Believe me when I say to you
I (6) the Russians love their children too
There is no historical precedent
To put the words in the mouth of the President
There's no such thing as a winnable war
It's a lie that we don't believe anymore
Mr. Reagan says we will protect you
I don't (7) to this point of view
Believe me (8) I say to you
I hope the Russians love their children too
We share the same biology
Regardless of ideology
What might (9) us, me, and you
Is if the Russians love their children too
