

## Fill in the gaps

May our hearts be full like our drinks tonight	And I will be remembered
May we sing and dance (1) we lose our minds	For (11) of sand
We are only young if we seize the night	This man was a hero
Tonight we own the night	A (12) of the night
Tonight we own the night	When he was at a party
(La la la la la la)	The party (13) died
(La la la la la la)	(Hey)
When my time is over, lying in my grave	I'm a little drunk but I got (14) to say
Written on my tombstone, I want it to say	May our hearts be full (15) our drinks tonight
This man was a legend, a (2) of his time	May we sing and dance (16) we (17)
When he was at a party	our minds
Γhe (3) (4) died	We are only young if we seize the night
(Hey)	Tonight we own the night
Everybody's got a dream so (5) do you say?	And let us wake up in studded strangers bed
Are we (6) history?	Let the drinks comes in until (18) left
May our hearts be (7) like our drinks tonight	And (19) night my friends we will not forget
May we sing and dance (8) we lose our minds	Tonight we own the night
We are only (9) if we seize the night	Tonight we own the night
Tonight we own the night	May our hearts be (20) like our drinks tonight
Tonight we own the night	May we sing and dance (21) we lose our minds
(La la la la la la)	We are only young if we (22) the night
(La la la la la la)	Tonight we own the night
For tonight I'm famous	Tonight we own the night
For (10) im king
