

Hide us in shadows

## Fill in the gaps

You know (1) the fog is here omnipresent	Unfathomable, wall-less maze
When the diseases sees no cure	A secular haze
You know that the fog is here omnipresent	He is divinity omniscient
When the (2) remain obscure	Seeing the world revolve with spite
Forevermore	The surge of humanity oblivious
Weave us a mist	To the divine (7) bringeth light
Fog weaver	Let there be night
Hide us in shadows	Weave us a mist
Unfathomable wall-less maze	Fog weaver
A (3) haze	Hide us in shadows
You know that his son is near omnipotent	Fog weaver
When she sees eye to eye (4) spears	Come (8) eternal
You know (5) his son is near omnipotent	
When youth and (6) disappear	Come mist eternal
Forever lost	
Weave us a mist	Come secular haze
