## Fill in the gaps

| I feel it  |
|--|
| It's coming                                      |
| Rain   |
| Feel it on my fingertips                         |
| Hear it on my window pane                        |
| Your love's coming down like                     |
| Rain   |
| Wash away my sorrow                              |
| Take away my pain                                |
| Your love's (1) down like                        |
| Rain   |
| When your (2) are burning mine                   |
| And you take the time                            |
| To tell me how you                               |
| Feel   |
| When you listen to my words                      |
| And I know you've heard                          |
| I know it's real rain, it's what this (3) brings |
| For the first time                               |
| I can hear my heart sing                         |
| Call me a fool but I know I'm not                |
| I'm gonna stand out here on the mountain top     |
| Till I feel your                                 |
| Rain   |
| Feel it on my fingertips                         |
| Hear it on my window pane                        |
| riear it off fifty willdow parie                 |
| Your love's coming down like                     |

Wash away my sorrow

| Take away my pain                         |  |  |  |
|---|--|--|--|
| Your love's coming down like              |  |  |  |
| Rain                                      |  |  |  |
| When you looked (4) my eyes               |  |  |  |
| And you said goodbye                      |  |  |  |
| Could you see my                          |  |  |  |
| Tears                                     |  |  |  |
| When I turned the other way               |  |  |  |
| Did you (5) me say                        |  |  |  |
| I'd wait for all the dark clouds bursting |  |  |  |
| In a perfect sky                          |  |  |  |
| You promised me when you said goodbye     |  |  |  |
| That you'd return when the storm was done |  |  |  |
| And now I'll wait for the light           |  |  |  |
| I'll wait for the sun till I feel your    |  |  |  |
| Rain                                      |  |  |  |
| Feel it on my fingertips                  |  |  |  |
| Hear it on my window pane                 |  |  |  |
| Your love's coming down like              |  |  |  |
| Rain                                      |  |  |  |
| Wash away my sorrow                       |  |  |  |
| Take away my pain                         |  |  |  |
| Your love's coming down like              |  |  |  |
| Here comes the sun                        |  |  |  |
| Here comes the sun                        |  |  |  |
| And I say                                 |  |  |  |
| Never go away                             |  |  |  |
| Waiting is the hardest thing              |  |  |  |

I tell myself that if I believe in you

In the dream of you

|--|-----------|---------|--|
| I will (8) you from the ground               |           |         |  |
| And without a sound you'll appear            |           |         |  |
| And surrender to me                          |           |         |  |
| To love                                      |           |         |  |
| Rain is what the thunder brings              |           |         |  |
| For the first time                           |           |         |  |
