Fill in the gaps

When All Is Said And Done by ABBA

Here's to us				And thanks for all the f	un
One (1)	toast			Neither you nor I'm to I	blame
And then we'll pay the bill				When all is (9)	and done
Deep inside				It's so strange	
Both of us				When you're down	
Can (2)	the (3)	chill		And (10)	on the floor
Birds of passage, you and me				How you rise	
We fly instinctively				Shake your head	
When the summer's over and				Get up and ask for more	
The dark clouds hide the sun				Clear-headed and open-eyed	
Neither you nor I'm to blame				With nothing left untried	
When all is (4) and done				Standing calmly at the crossroads	
In our lives				No (11)	_ to run
We (5) walked				There's no (12)	any more
Some (6)	and (7)		treks	When all is (13)	and done
Slightly worn				Standing (14)	at the crossroads
But dignified				No desire to run	
And not too old for sex				There's no hurry any more	
We're still striving for the sky				When all is (15)	and done
No taste for (8)	pie				
Thanks for all your generous love
