

## Fill in the gaps

Can you (1) me out?	I've wondered if there's something more
Can you lend me a hand?	Something more
It's safe to say that I'm stuck again	I feel it's gonna rain like this for days
Trapped between this life and the light	So let it rain down and wash everything away
I just can't (2) out	I hope that tomorrow the sun will shine
How to make it right	I feel it's going to rain (7) this
A thousand times before	Rain (8) this
I've wondered if there's (3) more	Rain like this
Something more	Fall down
I (4) it's gonna rain like this for days	Wash away my yesterdays
So let it rain down and wash everything away	Fall down
I hope that tomorrow the sun will shine	So let the rain (9) down on me
With every tomorrow comes another life	I feel it's gonna rain like this for days
I (5) it's gonna rain	Let it rain down and wash everything away
For days and days	I hope that tomorrow the sun will shine
I feel it's gonna rain	I feel it's gonna rain like this
I tried to figure out	Rain like this
I can't understand	I feel it's gonna rain like this
What it means to be (6) again	Rain like this
Trapped between the truth and the consequence	I feel it's gonna rain like this
Nothing's real	I feel it's gonna rain
Nothing's making sense
