

## Fill in the gaps

	I think it goes
Maybe it's the way she walked	You know, I know, you know I'll remember you
Straight in to my heart and (1) it	I know, you know, I know you'll remember me
Throught the doors and past the guards	You know, I know, you (16) I'll remember you
Just like she alredy owned it	I know, you know
said, "Can you give it back to me?"	I hope you (17) how we danced
She said, "Never in (2) (3)	
dreams"	How we danced
And we dance all night to the best song ever	1 2 1, 2, 3
Ne knew every line, now I can't remember	And we dance all night to the best song ever
How it goes, but I (4) (5) I won't	We knew every line, now I can't remember
(6) her	How it goes, but I know that I won't forget her
Cause we dance all night to the best song ever	'Cause we (18) all night to the best song ever
think it went oh, oh, oh	And we (19) all night to the best song ever
think it went yeah, yeah, yeah	We knew every line, now I can't remember
think it (7) goes	How it goes, but I know (20) I won't
Said her name was (8) Rose	(21) her
And her daddy was a dentist	'Cause we dance all night to the best song ever
Said I had a dirty mouth	I (22) it went (oh, oh, oh)
(I got a (9) mouth)	I think it went yeah, yeah
But she kissed me (10) she (11) it	I think it goes
said, "Can I take you (12) with me?"	Best (23) ever
She said, "Never in your wildest dreams"	It was the best song ever
And we dance all night to the best song ever	It was the best song ever
Ne knew every line, now I can't remember	It was the best song ever
How it goes, but I know that I won't (13) her	
Cause we dance all night to the best song ever	
(14) it went (oh, oh, oh)	
(15) it went yeah, yeah
