

## Fill in the gaps

Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Way it felt to hearing lies	Yeah
People that made you cry	And you told me how you're feelin'
Feel so (1) to be bad	But I don't (13) it's (14)
Not worth the aftermath	anymore, anymore
After that, (2) that	I wonder if it (15) (16) a
Try to get you back	(17) to cry
I still don't have the reason	So this is goodbye
And you don't have the time	I've been (18) before, one day, a week
And it really makes me wonder	And it won't hurt anymore
If I ever gave a **** (3) you	You caught me in a lie, I have no alibi
Give me something to believe in	The (19) you said don't have a meaning 'cause
'Cause I don't believe in you anymore, anymore	I (20) don't (21) a reason
I wonder if it even makes a (4) to try	And you don't have the time
Yeah, so this is goodbye	And it really makes me wonder
Can't stop my spinning head	If I ever (22) a (23) about you and I
Decisions that made my bed	So (24) is goodbye
Now I must lay in it	Give me something to believe in
Deal with things I've left unsaid	'Cause I don't believe in you anymore, anymore
Want to (5) you	I wonder if it even makes a difference
Forget what you're going through	Even makes a difference to try
Get behind, (7) your move	Yeah
Forget about the truth	And you told me how you're feelin'
I (8) don't have a reason	But I don't believe it's true anymore, anymore
And you don't have the time	I wonder if it even makes a (25) to
And it (9) me wonder	cry
If I ever (11) a **** about you	So this is goodbye
Give me something to (12) in	So (26) is goodbye
'Cause I don't believe in you anymore, anymore	Yeah, so this is goodbye
	Yeah, so this is goodbye
