

Fill in the gaps

Tomorrow I'm gonna leave here	We're (5) fire and gasoline
I'm gonna let you go and walk away	I'm no good for you
Like every day I said I would	You're no good for me
And tomorrow, I'm gonna listen	We only bring each other tears and sorrow
To that voice of reason inside my head	But tonight
Telling me that we're no good	I'm gonna love you like there's no
But (1) I'm gonna give in one last time	Tomorrow
Rock you strong in these arms of mine	(Oh) baby, (6) we're good
Forget all the regrets that are bound to follow	You know we're great
We're (2) fire and gasoline	But there's too much bad for us to think that
I'm no good for you	There's anything worth trying to save
You're no (3) for me	But (7) I'm gonna give in one last time
We only bring each other (4) and sorrow	Rock you strong in these arms of mine
But tonight	Forget all the regrets that are bound to follow
I'm gonna love you like there's no	We're like fire and gasoline
Tomorrow	I'm no good for you
I'll be stronger	You're no (8) for me
I'm not gonna break down and call you up	We only bring each (9) tears and sorrow
When my heart cries out for you	But tonight
And tomorrow	I'm (10) love you like there's no
You won't believe it	Tomorrow
But when I pass your house	I'm gonna leave here
I won't stop no matter how bad I want to	I'm gonna let you go and walk away
But tonight I'm gonna give in one last time	Like every day I said I would
Rock you strong in these arms of mine	
Forget all the regrets that are bound to follow
