### Heartbreak Girl by 5 Seconds of Summer

You call me up	I dedicate this song to you
It's like a broken record	The one who never sees the truth
Saying that your heart hurts	That I can (6) away your hurt
That you never get over him	Heartbreak girl
Getting over you	Hold you tight straight through the day light
And you end up crying	I'm right here
And I end up lying	When you gonna realise
'Cause I'm just a sucker for	That I'm your cure, heartbreak girl?
Anything that you do	I know someday it's gonna happen
And when the phone call finally ends	And you'll finally forget the day you met him
You say "thanks for being a friend"	Sometimes I'm so close to confession
And we're going in circles again and again	I gotta get it through your head
I dedicate this song to you	That you (7) with me instead
The one who never sees the truth	I dedicate this song to you
That I can take away your hurt	The one who never sees the truth
Heartbreak girl	That I can (8) away your hurt
Hold you tight straight through the day light	Heartbreak girl
I'm right here	Hold you tight straight through the day light
When you (1) realise	I'm right here
That I'm (2) cure, (3)	When you gonna realise
girl?	That I'm your cure, heartbreak girl?
I bite my tongue	I dedicate this song to you
But I wanna scream out	The one who never sees the truth
You could be with me now	That I can (9) away your hurt
But I end up telling you what you wanna hear	Heartbreak girl
But you're not ready	Hold you tight straight through the day light
And it's so frustrating	I'm right here
He treats you so bad	When you gonna realise
And I'm so (4) to you it's not fair	That I'm your cure, heartbreak girl?
And (5) the phone call finally ends	
You say "I'll call you tomorrow at 10"	
And I'm stuck in the friend zone again and again
