And I'm stuck in the friend zone again and again

### Heartbreak Girl by 5 Seconds of Summer

You call me up	I dedicate this song to you
It's like a broken record	The one who never sees the truth
Saying that your heart hurts	That I can take away your hurt
That you never get over him	Heartbreak girl
Getting over you	Hold you tight straight through the day light
And you end up crying	I'm right here
And I end up lying	When you gonna realise
'Cause I'm (1) a sucker for	That I'm your cure, heartbreak girl?
Anything that you do	I know someday it's gonna happen
And when the (2) call (3)	And you'll finally forget the day you met him
ends	Sometimes I'm so close to confession
You say "thanks for being a friend"	I gotta get it through your head
And we're going in circles again and again	That you belong with me instead
I dedicate this song to you	I dedicate (7) song to you
The one who never sees the truth	The one who never sees the truth
That I can (4) away your hurt	That I can take away (8) hurt
Heartbreak girl	Heartbreak girl
Hold you tight straight through the day light	Hold you tight straight through the day light
I'm right here	I'm right here
When you gonna realise	When you gonna realise
That I'm your cure, heartbreak girl?	That I'm your cure, heartbreak girl?
I bite my tongue	I dedicate this song to you
But I wanna scream out	The one who never sees the truth
You (5) be with me now	That I can take (9) your hurt
But I end up telling you what you wanna hear	Heartbreak girl
But you're not ready	Hold you tight straight through the day light
And it's so frustrating	I'm right here
He treats you so bad	When you gonna realise
And I'm so good to you it's not fair	That I'm your cure, heartbreak girl?
And when the phone (6) finally ends	
You say "I'll call you tomorrow at 10"
