Fill in the gaps

Thursday by Pet Shop Boys & Example

Will you love me or leave me	Friday
I'm here, retrieve me	Saturday
Don't say it's over, over	Sunday
I need some meaning	I wanna know you're gonna stay for the weekends
Expressed with feeling	Thursday
It's not over, over, over	Friday
The way you look at me	Saturday
Speaks of intimacy	Sunday
And it's not over, over, over	Stay with me for the weekend
Come on	Take that trip down memory lane
Why not	Where you're never gonna (3) the same
Thursday, then Friday	Where you're never gonna take the blame
It's soon gonna be the weekend	Change your name, now you out the game
Let's start it	So you head outside
Tonight, babe	Feel the rain
Stay with me for the weekends	Something in (4) brain can't break the chain
It's Thursday night	Same mistake again, fake the pain again
Let's get it right	Day to day you prowl, (wakey wakey) now
I (1) know you're (2) stay for the	Holy cow you're in doubt
weekend	You left and now you feel down
Starting tonight	Your heart lies back in that town
Let's do it right	So creep back in, don't make a sound
I wanna know you're gonna stay for the weekend	Or lose your crown again, sleep around again
Thursday	Tell your friends that you're proud
Friday	Or ask yourself what you really want (5) life
Saturday	Don't follow that crowd
Sunday	I (6) tried to make you walk into the deep end
Stay with me for the weekends	And now I (7) myself (8) from all the
It could be now	weekend
Could be tomorrow	I never tried to cause that Sunday morning creep-in
But it's not over, over, over	I want to stay but I must row (9) boat home
I'm lost in a dream	It's Thursday night
About you and me	Let's get it right
That it's not over, over, over	I wanna know you're gonna stay for the weekend
And when I wake	Thursday
I'll call it fate	Friday
And it's not over, over, over	Saturday
Come on	Sunday
Why not	I wanna know you're gonna (10) for the weekend
It's Thursday night	Thursday
Let's get it right	Friday
I wanna know you're gonna stay for the weekend	Saturday
Starting tonight	Sunday
Let's do it right	Stay with me for the weekends
