

## Fill in the gaps

You know I'm bad at communication	Always keep your heart locked tight
It's the hardest thing for me to do	Don't let your mind retire (oh)
And it's said, it's the most important part	But I just couldn't take it
That relationships will go through	I tried hard not to fake it
And I'd give it all away	But I fumbled and when I came down to the wire
Just so I could say that	It felt great
I know, I know, I know	It felt right (oh)
That you're gonna be OK anyway	But I fumbled and when I came down to the wire
You know there's no rhyme or reason	It felt great
For the way you turned out to be	It felt right (oh)
I didn't go and try to change my mind	But I fumbled and when I came down to the wire
Not intentionally	(Ooh yeah)
