

## Fill in the gaps

Excuse me for a while	A lion
While I'm wide eyed	Roars, would you not listen
And I'm so (1) caught in the middle	If a child
I've (2) you for a while	A child
While I'm wide eyed	Cries, would you not (10) them
And I'm so damn (3) in the middle	Yeah, I might (11) so strong
And a lion	Yeah, I (12) speak so long
A lion	I've never been so wrong
Roars, (4) you not listen	Yeah, I (13) seem so strong
If a child	Yeah, I (14) (15) so long
A child	I've never been so wrong
Cries, would you not give them	Excuse me for a while
Yeah, I might seem so strong	While I'm (16) eyed
Yeah, I might speak so long	And I'm so (17) (18) in the
I've never been so wrong	(19) (middle)
And I might seem so strong	Have you wondered for a while
Yeah, I (5) speak so long	I have a feeling (20) down
I've (6) been so wrong	You're caught in the middle (in the middle)
Excuse me for a while	Yeah, I (21) so strong
Turn a blind eye	I might (23) so long
With a stare caught (7) in the middle	I've (24) been so wrong
Have you wondered for a while	And I (25) seem so strong
I (8) a feeling (9) down	Yeah, I might speak so long
You're caught in the middle	I've never been so wrong
If a lion	

## Fill in the gaps
