Fill in the gaps

Things We Lost In The Fire by Bastille

Things we lost	Sure as hell have nothing now, you said
To the flames	We were born with (15) and we
Things we'll never	Sure as hell (16) nothing now
See again	These are the things
All that we	The (17) we lost
Have amassed	The things we (18) in the fire, fire
Sits (1) us	These are the things
Shattered (2) ash	The things we lost
These are the things	The things we lost in the fire, fire, fire
The (3) we lost	Do you understand that we will
The things we lost in the fire, fire, fire	Never be the (19) again
These are the things	Do you understand that we will
The things we lost	Never be the same again
The things we lost in the fire, fire, fire	The future's in our (20) and we will
We sat and made a list	Never be the same again
Of all the things that we had	The future's in our hands and we will
Down the backs of table tops	Never be the same again
Ticket stubs and (4) diaries	These are the things (these are the things)
I read (5) all one day	The things we (21) (the things we lost)
When (6) came and you	The (22) we (23) in the fire, fire,
(7) away	fire
Oh, (8) me nothing new	These are the (24) (these are the things)
But I love to (10) the (11) you used	The things we lost (the things we lost)
These are the things	The things we lost in the fire, fire, fire
The things we lost	These are the (25) (these are the things)
The things we lost in the fire, fire, fire	(The things we lost)
These are the things	These are the things we lost in the fire, fire, fire
The things we lost	Flames they licked
The things we lost in the fire, fire, fire	The walls
I was the match and you (12) the rock	Tenderly they turned to dust
Maybe we started (13) fire	All (26) I adore
We sat apart and watched	
All we had burned on the pyre, you said	
We were born with (14) and we	

1. before
