Things We Lost In The Fire by Bastille

Things we lost	Sure as hell have nothing now, you said
To the flames	We were born with nothing and we
Things we'll never	Sure as hell have nothing now
See again	These are the things
All that we	The things we lost
Have amassed	The (5) we (6) in the fire, fire
Sits before us	These are the things
Shattered into ash	The things we lost
These are the things	The (7) we lost in the fire, fire
The things we lost	Do you understand that we will
The things we lost in the fire, fire, fire	Never be the same again
These are the things	Do you understand that we will
The things we lost	Never be the same again
The things we lost in the fire, fire, fire	The future's in our hands and we will
We sat and made a list	Never be the same again
Of all the things that we had	The future's in our hands and we will
Down the backs of table tops	Never be the same again
Ticket stubs and your diaries	These are the (8) (these are the things)
I (1) them all one day	The things we lost (the things we lost)
When loneliness came and you were away	The things we lost in the fire, fire, fire
Oh, they told me (2) new	These are the things (these are the things)
But I love to read the words you used	The things we lost (the things we lost)
These are the things	The things we lost in the fire, fire, fire
The things we lost	These are the things (these are the things)
The things we (3) in the fire, fire	(The things we lost)
These are the things	These are the things we lost in the fire, fire, fire
The (4) we lost	Flames they licked
The things we lost in the fire, fire, fire	The walls
I was the match and you were the rock	Tenderly (9) turned to dust
Maybe we started this fire	All that I adore
We sat apart and watched	
All we had burned on the pyre, you said
