

## Fill in the gaps

Back when all my little goals seemed so important			
Every pot of gold fill and full of distortion			
Heaven was a place still in space not in motion			
But soon			
I got you			
I got everything			
I've got you			
I don't need nothing more than you			
I got everything			
I've got you			
We (1) (2) (3)			
the hills			
Trying to pretend that we both know			
Maybe if we save up			
We can build a little home			
But then the hell storm came and yelled			
You need to let go			
You've got no control			

No I got you I got everything I've got you

I don't need nothing m	ore (4)	you		
I got everything				
I've got you				
This weight's too much alone				
Some days I can't hold it at all				
You take it on for me				
When tomorrow's too	much			
l'll (5) it a	all			
I've got you				
And (6) tor	norrow's too	much		
I'll carry it all				
I got you				
I got you				
I got everything				
I've got you				
I don't need nothing (	7)	(8) yo	วน	
I got everything				
I've got you
