

Fill in the gaps

Back when all my little goals seemed so important	I don't (13) nothing (14) than you
Every pot of gold (1) and (2) of	I got everything
distortion	I've got you
Heaven was a (3) still in space not in motion	This weight's too (15) alone
But soon	Some (16) I can't (17) it at all
I got you	You (18) it on for me
I got everything	When tomorrow's too much
I've got you	I'll carry it all
I don't (4) (5) more than you	I've got you
I got everything	And (19) tomorrow's too much
I've got you	I'll carry it all
We (6) (7) through the hills	I got you
Trying to (8) that we (9) know	I got you
Maybe if we (10) up	I got everything
We can build a (11) home	I've got you
But then the hell (12) came and yelled	I don't need nothing more (20) you
You need to let go	I got everything
You've got no control	I've got you
No	
I got you	
I got everything	
I've got you
