

## I Got You by Jack Johnson

Back when all my little (1)_____ seemed so important	I don't (4)_____ (5)_____ more than you
Every pot of gold fill and full of distortion	I got everything
Heaven was a place still in space not in motion	I've got you
But soon	This weight's too (6)_____ alone
I got you	Some (7)_____ I can't hold it at all
I got everything	You (8)_____ it on for me
I've got you	When tomorrow's too much
I don't need nothing more than you	I'll carry it all
I got everything	I've got you
I've got you	And when tomorrow's too much
We (2)_____ walking (3)_____ the hills	I'll carry it all
Trying to pretend that we both know	I got you
Maybe if we save up	I got you
We can build a little home	I got everything
But then the hell storm came and yelled	I've got you
You need to let go	I don't need nothing (9)_____ than you
You've got no control	I got everything
No	I've got you
I got you	
I got everything	
I've got you
