

## Fill in the gaps

In a city like mine there's	We were silenced by the night
No point in fighting	But you and I we (17) rise again
I (1) my eyes see	Divided from the light
You and me driving	I (18) (19) the way we (20)
If I am a river	to when
You are the ocean	'Cause baby I'm not scared
Got the (2) on got	Of this world (21) you're here
The (3) in motion	And baby I'm not scared
We were silenced by the night	Of this world when you're here
But you and I we (4) (5) again	(Oh oh oh)
Divided (6) the light	You and I we (22) (23) again
I (7) the way we (9) to	(Oh oh oh)
when	You and I we (24) rise again
I lie in the dark, I (10) I'm falling	We were silenced by the night
Feel (11) hand on my (12) hear	But you and I we gonna rise again
Your voice calling	Divided (25) the light
I'm out of my depth girl, (13) (14)	I (26) love the way we used to be
to me	
Because the (15) in this town	
They look straight (16) me
