

## Fill in the gaps

| In a city like mine there's           |                         | We were silenced by the night        |       |
|---------------------------------------|-------------------------|--------------------------------------|-------|
| No (1) in fi                          | ghting                  | But you and I we gonna (7) ag        | jain  |
| I close my (2) see                    |                         | Divided (8) the light                |       |
| You and me driving                    |                         | I wanna love the way we used to when |       |
| If I am a river                       |                         | 'Cause baby I'm not scared           |       |
| You are the ocean                     |                         | Of this world when you're here       |       |
| Got the radio on got                  |                         | And baby I'm not scared              |       |
| The wheels in motion                  |                         | Of this world when you're here       |       |
| We (3) silenced by the night          |                         | (Oh oh oh)                           |       |
| But you and I we (4) rise again       |                         | You and I we gonna rise again        |       |
| Divided from the light                |                         | (Oh oh oh)                           |       |
| I wanna love the way we used to when  |                         | You and I we gonna rise again        |       |
| I lie in the dark, I feel I'm falling |                         | We were silenced by the night        |       |
| Feel your hand on my back hear        |                         | But you and I we (9) rise ag         | ain   |
| Your voice calling                    |                         | Divided from the light               |       |
| I'm out of my (5)                     | girl, stick close to me | I wanna love the way we (10)         | to be |
| Because the people in (               | (6) town                |                                      |       |
| They look straight through            | gh me                   |                                      |       |
