

Fill in the gaps

I could (1) you up	(Safe and sound)
I could show you what you want to see	(Hold (14) grown)
And take you where you (2) to be	(Safe and sound)
You could be my luck	I could lift you up
Even if the sky is falling down	I (15) show you what you want to see
I (3) that we'll be safe and sound	And (16) you where you (17) to be
We're safe and sound	You (18) be my luck
I could fill your cup	Even if the sky is falling down
You know my (4) won't evaporate	I know (19) we'll be safe and sound
This world we still appreciate	I could lift you up
You (5) be my luck	I (20) show you (21) you want to see
Even in a (6) of frowns	And take you where you want to be
I know that we'll be (7) and sound	You could be my luck
(Safe and sound)	Even if the sky is (22) down
We're safe and sound	I (23) that we'll be safe and sound
(Safe and sound)	We're (24) and sound
We're safe and sound	We're safe and sound
(Hold your grown)	We're safe and sound
We're (8) and sound	We're safe and sound
(Safe and sound)	(Safe and sound)
I could show you love	We're safe and sound
In a (9) wave of mystery	(Safe and sound)
You'll still be standing (10) to me	We're safe and sound
You (11) be my luck	(Hold your grown)
Even if we're six (12) underground	We're safe and sound
I know that we'll be (13) and sound	(Safe and sound)
	We're (25) and sound
We're safe and sound	
(Safe and sound)
