## Fill in the gaps

## This I Promise You by Ronan Keating

My love	'Cause I could almost cry now
Here I stand before you	This is forever
I am yours now	I make this vow to you
From this moment on	And when I look in your eyes
Take my hand	All of my life is before me
Only you can (1) me shaking	(Oh oh)
We'll share forever	And I'm not running anymore
This I promise you	'Cause I already know I'm home
And when I look in your eyes	With every beat of my heart
All of my life is (2) me	I'll give you my (6) completely
And I'm not running anymore	My darling
'Cause I already know I'm home	This I promise you
With every beat of my heart	My darling
I'll (3) you my love completely	This I promise
My darling	You
This I promise you	This I (7) you
My love	(Oh) I (8) you
I can (4) your heartbeat	I promise you
As we (5) now	This I promise
Closer than before	You
Don't let go	
Don't let go
