Over My Head (Cable Car) by The Fray

I (1)_____ knew
I never knew that everything was falling through
That everyone I knew was (2)_____ on a queue
To (3)_____ and run when all I needed was the truth
But that's how it's gotta be
It's coming down to nothing more than apathy
I'd (4)_____ run the other way than stay and see
The smoke and who's still standing when it clears and
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Let's rearrange
I (5)_____ you were a stranger I could disengage
Just say that we agree and then never change
Soften a bit until we all (6)_____ get along
That's disregard
Find another (7)_____ and you discard
As you lose the argument in the cable car
Hanging above as the canyon comes between and
Everyone knows I'm in
Over my head, over my head
With eight seconds (8)_____ in overtime
She's on your mind, she's on your mind
Everyone knows I'm in

Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on... (oh)
Suddenly, I become a part of your past
I'm becoming the (9)_____ that don't last
I'm losing you and it's effortless
Without a sound
We lose sight of the ground in the throw around
Never thought that you wanted to bring it down
I won't let it go down 'till we torch it ourselves and
Everyone knows I'm in over my head
Over my head
With eight (10)_____ left in overtime
She's on your mind, she's on your mind
Everyone knows
That she's on your mind
Everyone knows I'm in over my head
I'm in over my head, I'm over my...
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
