

It's murder on our love affair

Fill in the gaps

Tomorrow Never Dies by Sheryl Crow

Darling I'm killed	But you bet your life
I'm in puddle on the floor	Every night
Waiting for you to return	While you chase every morning die
(Oh) (1) a trill	You're not the only spy out there
Vacillations good lord	It's so deadly my dear
How to tease	The power of wanting you near
How you leave me to burn	Until the day
It's so deadly my dear	Until the world (2) away
The power of wanting you near	Until you say there will no more goodbyes
Until the day	I see it in your eyes
Until the world falls away	Tomorrow (3) dies
Until you say there will no more goodbyes	Until the day
I see it in your eyes	Until the world falls away
Tomorrow never dies	Until you say (4) (5) no more
Darling you won	goodbyes
It's no fun	I see it in (6) eyes
Martinis, girls and guns
