Since I was young		And when the nights are long		
I (1) I'd (2)	you	All the (7)	(8) yo	our goodbye
But our love was a song		Your goodbye		
Sung by a (3) sv	van	You hear me calling		
And in the night		And in your dreams		
You (4) me calling		You see us falling		
You hear me calling		Falling		
And in (5) dreams		(Oh)		
You see me falling		(Oh)		
Falling		Breathe in the light		
Breathe in the light		And say goodbye		
I'll stay here in the shadows		Breathe in the light		
(Oh)		And say goodbye		
Waiting for a sign				
As the tide grows				
Higher and (6)	and higher			

- 1. knew
- 2. find
- 3. dying
- 4. hear
- 5. your
- 6. higher
